

# Take The Train To Bald Knob with the Great Stone Viaduct Society 2 Trains From Elkins, WV To Cass, WV

The Great Stone Viaduct Historical Society is pleased to announce a day trip to the Cass Scenic Railroad on Saturday, August 17, 2019. Our trip will depart Bellaire, OH from in front of Frizzi Law Offices, 224 32<sup>nd</sup> St. and travel by chartered bus to Elkins, WV where we will board our train.

**This trip will include two (2) train rides in one day!**

We will spend nearly 8 hours split between 2 trains. Our rail journey begins when we depart the Elkins depot at 9:30am. The first leg of our trip will be in vintage passenger cars pulled by two Western Maryland diesel engines towards the abandoned town of Old Spruce, WV along the Cheat River. Lunch will be served on the train as we travel towards Old Spruce. (Lunch is included in your ticket cost)

The second part of our adventure starts when we transfer trains at Old Spruce and continue our journey up the mountain to the 2<sup>nd</sup> highest point in WV, Bald Knob. This train will feature open air cars powered by two Shay steam logging locomotives. The grades on this rail line can approach 6% and the engines put on quite a show getting us to the top of the mountain. Once at Bald Knob, we will depart the train and enjoy scenery from an observation deck that features views into several states on a clear day. We will arrive at the Cass Depot at approximately 4:45pm and guests can enjoy the over 100 year old general store before we depart for home.

**Guests may bring a small personal sized cooler with them as well.  
GSV will have cold water available on the bus at no charge.**

This trip will depart Bellaire at 5:15 am by chartered bus. We will depart Cass at 6:00 pm for home and arrive back in Bellaire by 11:00 pm. We will be making a stop for dinner on the way home. All dinner costs & souvenirs are the responsibility of each person on the trip.
